

## ESAA Summer Sandlot Camp

Illinois Baseball Academy is looking forward to our 5<sup>th</sup> summer of Sandlot Camps for the players of ESAA. At IBA, we teach the proper fundamentals of the game to all participants, enabling each to become progressively more competent and confident. From the daily “Dynamic” warm-up to the drills & situational games, this camp curriculum is designed to prepare young players for the next level of competitive baseball. Players will improve their understanding of the “team” aspect of playing baseball while also learning to set new individual standards and goals.

In addition to learning baseball fundamentals, playing daily games, and spending time each day learning valuable life skills (*sportsmanship, teamwork, respect, etc.*), campers will gain confidence, improve coordination and develop an appreciation of the great game of baseball!
